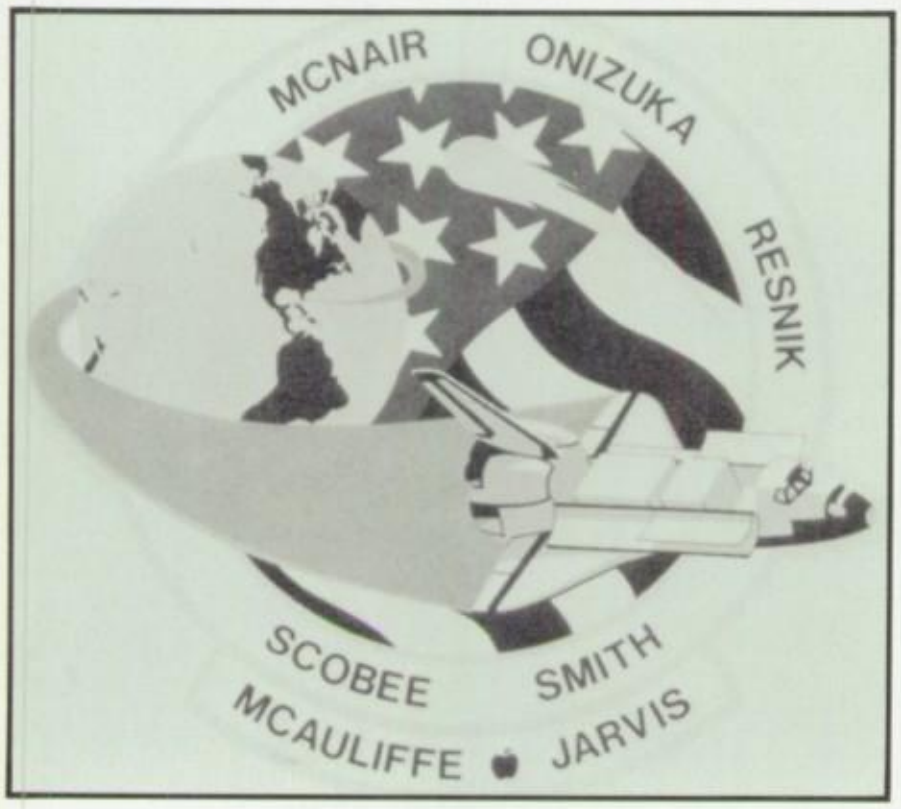
THE WEATHERVANE 1986

January 28, 1986 Mission 51-L

Commander Francis (Dick) Scobee; Pilot, Michael Smith; Mission Specialist, Ellison Onizuka; Mission Specialist, Ronald McNair; Mission Specialist, Judith Resnik; Payload Specialist, Gregory Jarvis; Teacher in Space, Christa McAuliffe.



When is Mommy coming back?
Daddy is Mommy coming back?
Daddy is Mommy coming back?
Daddy why are you crying?
  Is she flying
  In space high in the sky?

Brother why are you crying?
Are you hurt?
Maybe when Mom gets back
she can kiss it and it will be better.

Grandma why are you crying?
Grandpa why are you crying?
Please tell me.
When is Mommy coming back?

Joel James (7th Grade)

The Space Shuttle
The time had arrived
It's a crystal clear day;
The launch pad was ready
The trip's underway.

The astronauts came
They entered their shuttle;
The ground crew was busy
To desks they did scuttle.

The crowd was cheering
The people held their breath;
For they did not know
That the shuttle brought death.

The countdown started
Then the shuttle flew up;
Taking seven great lives
The space ship blew up.

Six astronauts died
They gave all they were worth;
So did one teacher
In a quest for our earth.

For even right now
Those Americans live;
They live in our hearts
To our hearts, they give.

Diana Block (7th Grade)

. . . She was a bit of us all: she heard the call and stood up to face the challenge in a spirit typical of pioneers and adventurers that this gritty nation has produced . . .

Peter Stevens

. . . and you learn to build all your roads on today because tomorrow's ground is too uncertain for plans and futures have a way of falling down in mid-flight . . .

A teacher will be missed, not only in a New Hampshire classroom, but in the hearts of all of us who felt a part of the space mission that was to bring the classroom into space. She carried with her the pride and hope of students and fellow teachers as she represented all that was excellent about our educational system. She was a dedicated public school teacher who wanted to bring real learning experiences to her children. Christa McAuliffe understood the importance of the frontier of space and space exploration to the next generation. She wanted her students to be prepared for the future and the technological world in which they will live and work.

We dedicate the 1986 **Weathervane** to her memory, to her pioneering spirit, and to the other valiant members of Mission 51-L.

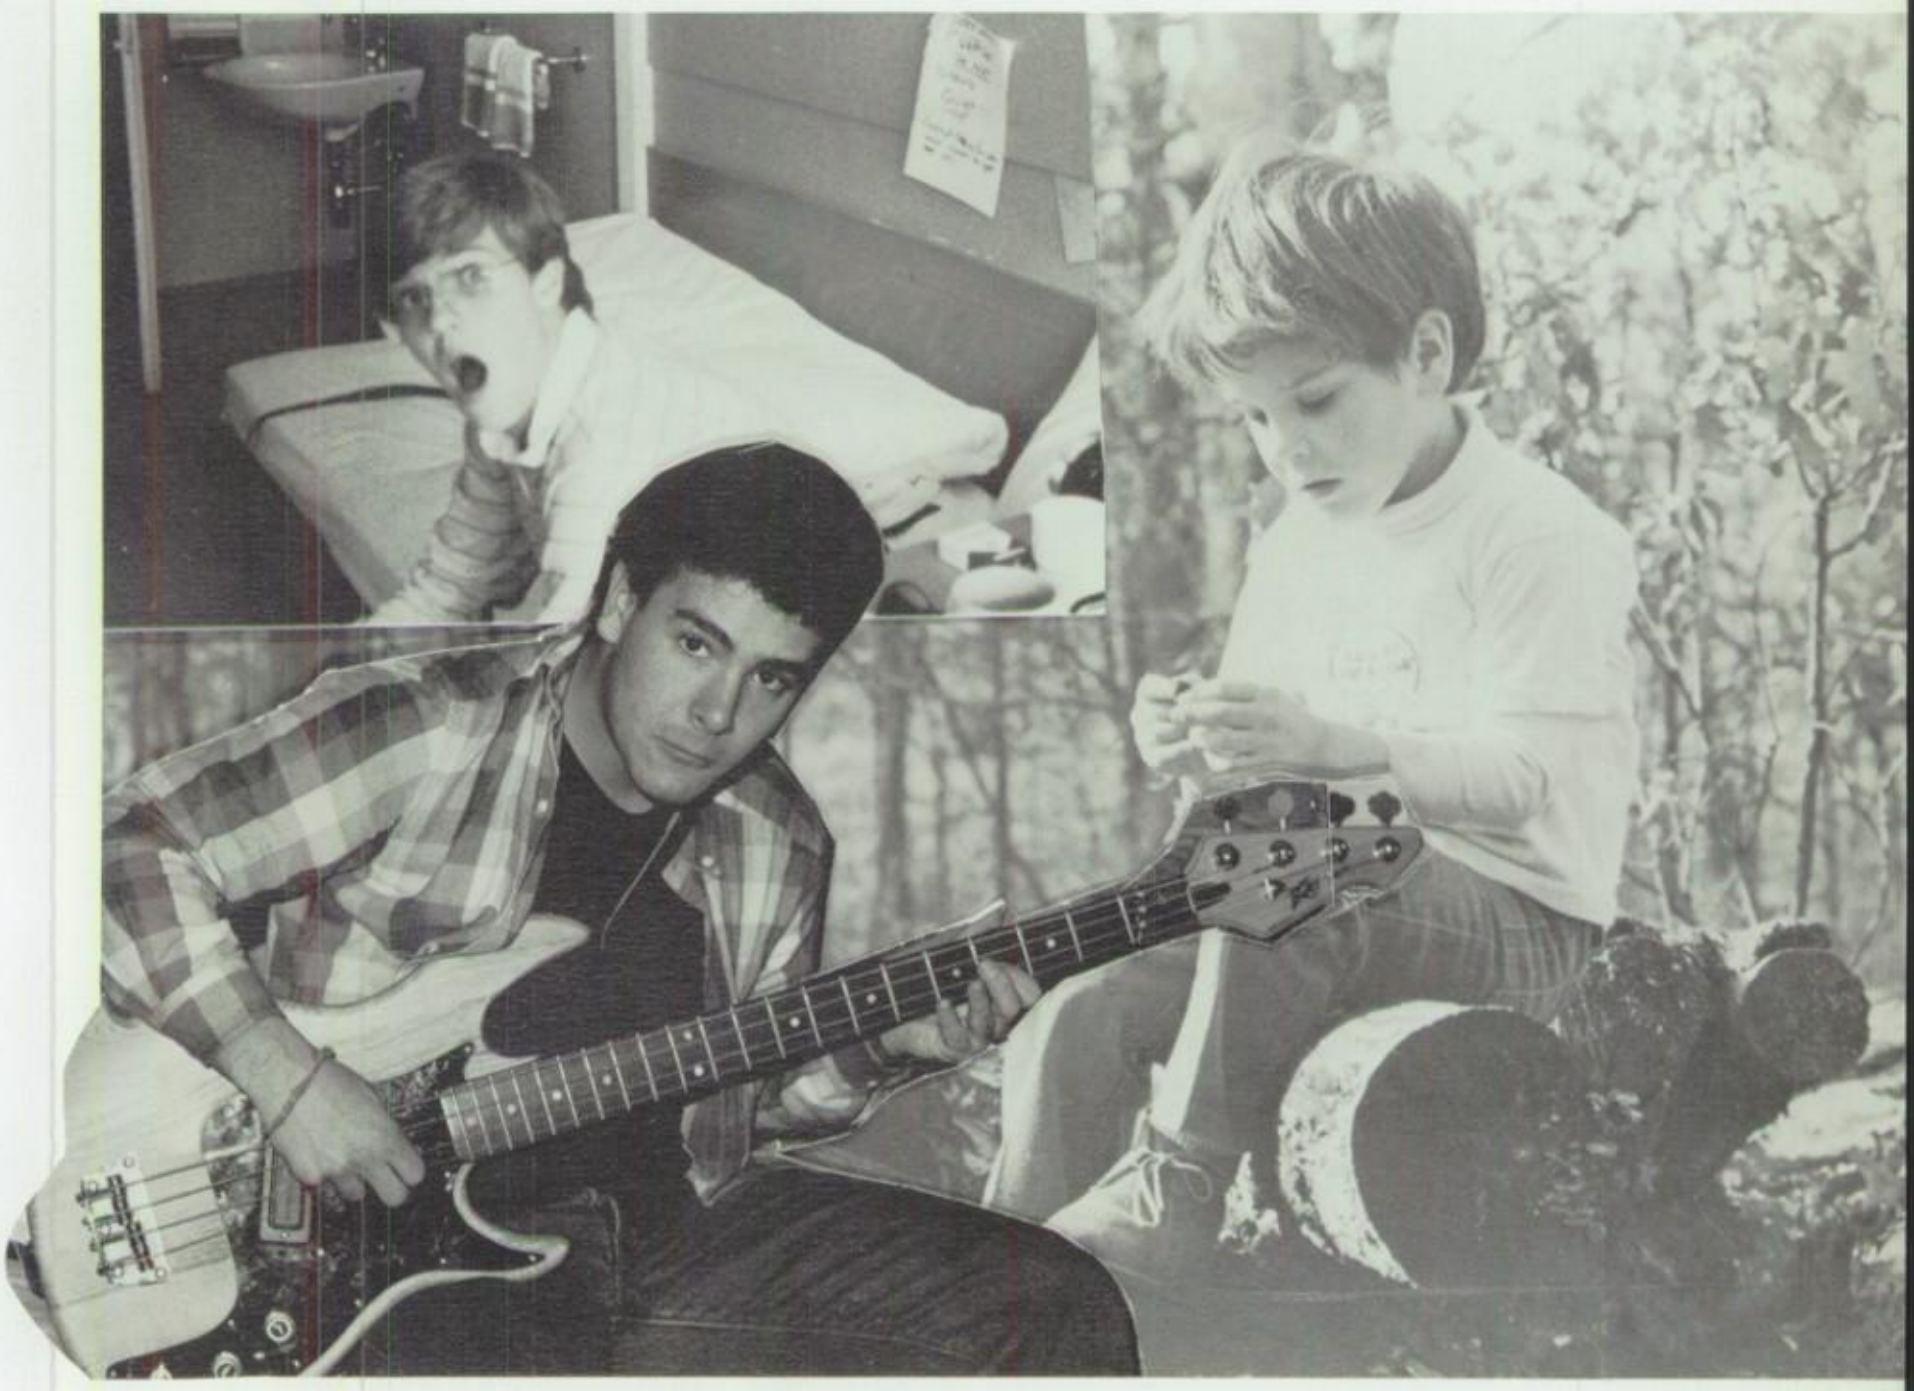
L. Rosten



Kids in high schol are like animals in a zoo. They can't wait to get out, but once they are they don't know what to do or where to go. F. Scott Fitzgerald said that "at eighteen, our convictions are but hills from which we look." I think that this is true. But, what M.V. tries to teach us is how to think. How to think about what to do, and what to believe. My friend Tom Jenkins never went to M.V., but he was one of the most thoughtful people that I've ever known. He achieved more peace, and learned more about himself in his short life than most of us ever will. At eighteen, Tom knew who he really was. He's gone now, but his legacy remains. With luck, M.V. has taught all of us some small part of what Tom taught himself. Thank you Mr. Fischer and all of the other thinking people at Maumee Valley. I would also like to thank Amy, Chris, Moses, James, Megan, Heather, Ed, Adam, Tom O., C.B.J., V.M., S.T., G.T.S., M.D.

Special thanks to my Mom, Dad, Liz, and Nancy.

"They say that these are not the best of times, but they're the only times I've ever known.
And I believe there is a time for meditation in cathedrals of our own.
Now I have seen that sad surrender in my lover's eyes, but I can only stand apart and sympathize.
For we are always what our situation hands us — it's either sadness or euphoria.
So we argue and we compromise, realize that nothing's ever changed
For all our mutual experience, our seperate conclusions are the same
Now we are forced to recognize our in humanity,
A reason coexists with our insanity,
So we choose between reality and madness,
— it's either sadness or euphoria." — Billy Joel

FEELS SO GOOD

There's no place for me to hide
The thoughts of all the times I"ve cried
And felt this pain that I have known
Because I needed just to hear that special something

And then one day
You just appeared
You said, "Hello, let's make love along the way"
Your name is music to my heart
I'll always really love you

Feels so good good when I'm with you
I can't believe you love me too

With you it feels like it should feel
Feels so good let's make a deal

I'll trade my baseball cards for you
Now I believe that dreams come true

With you my smile sticks all the time

The Road goes ever on and on
Down from the door where it began.
Now far ahead the Road has gone,
And I must follow, if I can,
Pursuing it with weary feet,
Until it joins some larger way,
Where many paths and errands meet.

And wither then?
I cannot say. — Tolkien

Thanks to: all of my friends, especially Tina Katie, Bittin, Cindi, Paulene, Jennifer, Todd, Erica because she is a great person, Phil, and especially Millicent Jones — my best friend, Mrs. Biss Alex, Lambie, Julie, Mrs. Campbell, Mrs. Morrow, Mr. Fischer — for his terrific teaching, OLD MAN — SAM McCOY, Blackburn, and the rest of MV.

OH, MILO, IT'S AWFUL.. I'VE BEEN CAPTURED BY A MOB OF YOUNG REVOLUTIONARIES!!
:URP!:
THEY SEEM TO BE MOSTLY BUSINESS STUDENTS WEARING TIE-DYED POLO SHIRTS, GETTING STONED ON BEER AND DEMANDING SEVERE CUTBACKS IN SOCIAL PROGRAMS!
OH, THESE CRAZY, IDEALISTIC KIDS, MILO!..
DON'T TRUST ANYONE UNDER $30,000 A YEAR!!

IS THIS THE CLASS OF 86?

YOU COULD GET A
SIX-FIGURE RETURN ON A
$14,370* INVESTMENT.

When you build a car mostly of galvanized metal and cover it with layer upon layer of paint, you'd expect that car to last.

That's one reason why Volvo, instead of giving you an odometer that reaches 99,999 miles, gives you one that goes all the way to 999,999 miles.

To see the many other ways Volvo outdistances the competition, visit our showroom tomorrow.

*Manufacturer's suggested retail price for the 1986 Volvo DL 4-speed manual transmission with overdrive. Excluding taxes, options, dealer prep, destination charges and registration fees. Prices may change without notice.

THE VOLVO 240

'86 Volvos come with a 3-year limited warranty that puts no limit on mileage. See your Volvo dealer for terms and conditions.
